**Subject: Report on the distribution of humanitarian aid collected and transported by  
Balkan Aid Relief Foundation (BARF)  
Banjaluka, Republika Srpska, Bosnia and Herzegovina: February 2006**

Dear Neil,

within this report we would like to inform you on distribution of aid brought to Bosnia and Herzegovina in February 2006

This was the thirteenth humanitarian convoy done by BARF and we want to use this opportunity to express our gratitude to wonderful people from BARF and for everything they have done so far. Thanks to BARF we were able to distribute huge amounts of humanitarian aid to big number of people and institutions in need, here in Bosnia and Herzegovina and there are a large number of them.

Wonderful co-operation between Balkan Aid Relief Foundation (BARF) and Genesis Project started in June 2000. Since then, people from BARF have delivered twelfth substantial shipments of humanitarian aid to Banja Luka and western part of Republika Srpska. This part of Bosnia and Herzegovina has a population of over 700.000 people.

First humanitarian aid convoy was realized in November 2000, second one in June 2001, third in October 2001, fourth convoy was realized in March 2002, fifth in October 2002, sixth in April 2003, seventh in June 2003, eight in March 2004, ninth in December 2004, tenth in March 2005, eleventh in August 2005, twelfth in October 2005

Trustees of BARF with Mr. Neil Ross Newitt as Chairman organized all humanitarian aid convoys.

Numbers speak for themselves. Thanks to BARF, we were able to help and bring necessary humanitarian aid to 33 different governmental and non-governmental organizations, such as:

- primary schools;
- specialized educational institutions for children with special need;
- different local humanitarian organizations involved in helping to refugee, internally displaced and socially endangered domestic population;
- many other formal and non-formal associations of citizens.

We approximate that the number of direct beneficiaries, through all conducted distributions was over

29000 citizens of Republika Srpska, an entity of Bosnia and Herzegovina, which is still in big need of various humanitarian assistance.

The importance of this humanitarian aid is beyond its commercial value because people of United Kingdom give it with love to people of Bosnia and Herzegovina and that is the most important thing.

We hope that we will continue our cooperation with Balkan Aid Relief Foundation, in order to help people of Bosnia and Herzegovina who still need our assistance very much, in order to live their lives with a bit more of dignity and humanity.
